Race Preview: Girls On Fire Worked hard wide no cover on debut. Fought on bravely. This race looks easier, so good chance. **Hold My Wine** Returning from let-up. Elevated heart rate and virus detected after last run. Awkward gate but hard to beat. **Loves Talking** Trials: (2:0-2-0). Showed good dash in both trials, but only 400m so can't read too much in to them. Market watch. **Bundaberg** Trials: (3:1-0-1). Cost \$42,500. Blinkers seemed to make all the difference for last trial. Respect the market. **Hard Solo** Returning from let-up. Runs have been ok in high ranking races. Can improve in this easier affair.
