Race Preview: Berrington Blew (3) made a smart debut at long odds on debut over 1000m but was second best when going a furlong further next run. He can go one better over this trip. Black Frost (13) has had three bits at the cherry and shows some ability with a runner-up berth last time out behind the promising Treaty Of Paris. Captain's Pride (4) has been placed in both of her outings and can make an impression. Watch the betting on the first timers.

Race Preview: Treasure Island (2) has finished close up in both starts and given the experience she rates the horse to beat. Malshana Mou (8) found some market support on debut but raced very green. She comes from a yard that knows how to set up juveniles. Limitless Sky (3) was a distance third last run and can improve.

Race Preview: Long Street (6)was a beaten favourite last run and has not been far back at her last two. Battling but must have a decent chance in this line-up. Austrian Beauty (11) has been making steady progress and although carrying top weight she has a good chance of making the frame. Your Ladyship (8) was a long way back when making her debut at Hollywoodbets Durbanville but can do better here. Lightinthedarkness (3) is another struggler but has a money chance on her best effort.

Race Preview: Royal Mermaid (1) is lightly raced and her best effort was on the turf. From a good draw she must have a strong chance in another moderate line-up. Call Me Harriet (10) was disappointing on the poly last run but started at long odds. She was runner-up to the smart Mocha Blend at her penultimate start which puts her in with a big chance here. Umzolozolo (7) has shown some ability. She was not far back at her last two and the step up in trip could suit. Roy's Grace (3) jumps in trip but has shown ability over shorter. She must have a strong chance if she stays the extra.

Race Preview: Dancing On A Cloud (2) made a promising debut and was well supported in the market. If he comes on from that run he should make a bold bid in spite of top weight. Green Mile (4) has been knocking on the door for some time now. He goes well this trip and will be a runner. O Space O (7) was a beaten favourite last run after a smart local debut. Both starts were over course and distance in blinkers and he should feature again. Dee Day (10) is seldom far off them and can feature with this weight.

Race Preview: Fireburst (2) has come to hand nicely at recent outings. She has a favourable draw and a handy galloping weight. Faizah (1) has a 4kg claimer aboard but was close-up from a tough draw last run and is now drawn pole. Stable companion Icy Lancaster (11) has drawn widest but showed some improvement last outing and this could well be her trip. Grand Occasion (4) shed her maiden over this distance and can do better than her last effort in soft ground.

Race Preview: The grey Roman Agent (4) makes his debut for a new stable with first time blinkers. He comes of some fairly useful Cape Town form in feature company and he could prove too good in this line-up. Go Grayson Go (7) is smart but all of his recent form has been over a mile. He has been a beaten favourite at his last two but the drop in trip could suit in this company. Stanley Park (1) goes well over course and distance and should be competitive with a 4kg claimer aboard. Agrado (3) is seldom far back and was not disgraced when trying further from a wide draw although the winner started at long odds.

If back to be she could be hard to beat but the betting could tell a story. Rugger Lover (8) is a hard-knocker and will be there to pick up the pieced. Mia's Athena (3) was highly regarded early in her career but has had problems. She returns from a long break but could surprise. Hurricane Cat (6) is quick and over her best trip.

He has started favourite on many occasions when trying further but could prove more competitive over sprints. Dapper (2) makes his debut for his new stable. He was not far back over course and distance last time out when dropping in trip and can feature.
