Race Preview: Gurkha (5) fits the bill and was a recent arrival with Kannemeyer's string. Master Du Rouvray (9) may just have needed his last effort when returning from a break and should stripe filler here. Firelighter (1) has the best of the draw and was a beaten favourite last run. He looks to be in a good space. Black Platina (11) returns from a break but was much improved last run. Wide draw but can feature.

Race Preview: Beach Palace (2) won well enough in a small field last run. He has been consistent of late and the stable is in form. Mariachi Madness (4) makes the trip from the Highveld and comes with some solid recent form although over shorter. Rafiki (3) is re-united with Calvin Habib, his last win over course and distance. He does carry top weight. Cotton Ron (8) seldom runs a bad race. He steps up a furlong in trip but does have a 4kg claimer up.

Race Preview: Golden Destiny (1) won his last two at Hollywood Kenilworth and although going an extra furlong he does have the best of the draw and could still be under the handicappers radar. Max The Magician (12) has a wide draw to contend with but Roy Magner seldom makes the trip from the Highveld and his gelding has shown up well in his last two. Tyrconnell (10) has drawn a little deep but is seldom out of the money and should put in another good effort. Stars In Heaven (8) goes well this trip and has a handy galloping weight. He takes on stronger but should run well again.

Race Preview: Festival Of Magic (11) has dropped in the handicap but has been taking on slightly stronger of late. He has a wide draw but cheek pieces could see her improve. Elusive Belle (1) takes on males and if she can reproduce her penultimate run over course and distance with only 49kg to shoulder she will be dangerous. Count Marsh (14) has the widest draw but was touched off over the trip last time out. He gets Lerena aboard. Basie Raakvat (10) is seldom far off them and goes well this trip.

Race Preview: Field Marshal (3) was most disappointing last start after a smart previous effort. He can make amends on his best form. Lerena has deserted Field Marshal to partner Spirit Of Levana (1) who her rode last time out. The blinkers have been replaced by cheek pieces. Quatermain (4) has been knocking on the door for some time now and comes with consistent Highveld form. He gets the benefit of Rachel Venniker's 1.5kg allowance although taking on stronger. View Of The World (6) is hardly ever out of the money and with a more experienced rider aboard cannot be ignored lightly.

Race Preview: Inafix (8) won well enough over the distance last time out and only got a four-point rise in the handicap. He meets modest company and can follow up. My Siraya (4) won first time out for S tuart Ferric. She is lightly raced and should have a strong chance in this line-up. Arverni Princess (1) has not been out since August last year but had some fair form before the break She has a handy weight and can surprise. Purple Powahouse (5) has not won for over three years but is never far back. He was running on late last start and can feature prominently in this field.

Race Preview: Rich Folks Hoax (2) has smart Cape form over a mile. He has a handy weight and could prove too classy for this line-up even over this shorter trip. Future Flo (5) will have plenty of supporters but has been climbing the handicap steadily and got an eight-point rise in the handicap last start as the handicappers try to put him in his place. He steps up a furlong but is capable. Quandary (6) has been in good form of late and is over his optimum trip. He will be a big runner. Smorgasbord (3) has been consistent and should be competitive.
