**Race Preview:** Kwagga Blitz showed good pace and was only tagged in the closing stages last time. He can go one better. Watch out for improvement from Futurenaire who had a decent learning experience on debut and should come on nicely. Legendary is now starting to improve and if he doesn't mind the drop in distance he should be right there. Copper Cliff showed fair potential as a juvenile and may have improved during his layoff. He could be the finished product now. Royal Force is bred to be quick and could attract betting support. More can improve.

**Race Preview:** Trail Runner took a bump and didn't get the best of runs in transit on debut. She is well-bred and could make solid improvement. There wasn't much between Pretty Precious and Gimme A Storm who finished ahead of Trail Runner and it could get close again. The former is overdue but has been a bit costly. The latter should be at her peak in her third start. Golden Alexia and Blazing Sky showed some ability. Green Street is certainly better than her last effort. Aurora Green and Gimme A Call are both well-bred daughters of Gimmetheregreenlight. Watch out.

6 Asiah's Tiara			8 Q For Love 1:38.90

**Race Preview:** It could get close between Roaming Spirit and Gerbera, both improving fillies who finished on top of each other last time. Both have stamina in their pedigree. Gerbera does have the better draw this time. The Mightiest suddenly came to hand after travelling to KwaZulu-Natal last time. She could be on the up now. Asiah's Tiara ran below par last time but her penultimate run wasn't bad and she must be considered for trifectas and quartets. Flightlight and four-year-old Mattiazo are well-related and need to be watched.

**Race Preview:** Mountain High has been costly. She has finished runner-up in her last three but may just be looking for this longer distance. Spirito Selvaggio is not as highly rated but he gives the impression he will go the extra and could make it interesting. Hong Kong Lucky has plenty of stamina in his blood and looked badly in need of his debut experience. He should make good progress. Chieftain's Shield and Mystic Vision haven't yet impressed but it could be the right race for both.

**Race Preview:** Red Maple did it again. She came from far back to win in thrilling fashion. If she holds form she should have every chance as she is best weighted. Zeus must get rewarded one of these days. He has had some tough tests and has not disgraced himself. Crimson King is another that can never be taken lightly. He could make it two from two over the course and distance. Second Base and Arumugam could be in the firing line if the race is run to suit.

Fellow four-year-olds **Marauding Horde** and **Command Pilot** have very good form at Turffontein and look lively contenders as well. **Chestnut Bomber** was not disgraced when only just beaten out of the top four in the Grade 2 Dingaans. **Truth** looks to be back to best, he should be right there.

Fellow Grade 2 winner **Fire Attack** has beaten him before and was a cracking second behind star filly Quid Pro Quo so comes into the race off a great prep. **Greaterix** tried to do it the hard way again last time and didn't disgrace himself. He has more to come and must not be taken lightly. Both **Musical Score** and **Chooaanada** have a bit to find on ratings but look to be going about it the right way.

**Race Preview:** **Vulcanite** heads up the field with a merit rating of 104. At the weights **Salenio Peninsula** could turn it around with **Miss Lia** who beat her last time. The pair need to be taken seriously again. Watch out for **Too Late My Mate** and **Cocomelon**. Both have shown high class potential and may attract betting support.

**Race Preview:** Not an easy race to end. **Virgin River** is taking on males but is in good form and is deserving of more success. **Big Boy Bruce** beat a nice filly last time and he himself should keep on improving but he is dropping in distance. **Beamonesque** seems capable of better. He could appreciate the drop in distance. It could be the right race for **Longsword** who has run some commendable races and needs a bit of luck. **Nkandla Gold** gave signs in his last start that he could pop up soon. **Dontshootherbarman** has run in stronger races and must be respected.
