Captain Jon Snow stayed on well for second behind Winter Snap on the 18th of January, he will keep improving with every run, include this colt into all bets. North Point changed stables on the 7th of March, he was only beaten just over two lengths in his last start, he looks like the type that will get better with racing, on his best form, he should be in the places. Dreamworld won his debut exceptionally well on the 15th of February at Hollywoodbets Kenilworth, he arrived at the course with a massive reputation and delivered in good style, there is no doubt he will be right there in the finish. Black Cheetah comes back to the races from a small break of 71 days, he has won two very good races in succession, the yard thinks highly of this individual, he must go into all bets. Malmesbury Missile changed stables on the 25th of February, he fought hard to win a good race last time, he should be running on strongly late.

Race Preview: Rattlesnake unfortunately lost his race in the boardroom last time, his recent form is really good, he loves the 1000m trip up the straight at Hollywoodbets Kenilworth, he must have a good winning chance here. Night Tiger ran a fair race on the 15th of February behind Empire State, on his best form at this level, he could certainly be very dangerous in the finish. Tough Terrain carries a massive weight on his back for this race on Sunday, he ran a lovely race last time behind Bluff On Bluff, if the race works out for him and he gets some cover early, he will be flying at the finish, watch him closely. Go It Alone ran a much-improved race on the 8th of February behind Un Bel Di, unfortunately he was penalised three points for running third, despite the negative, if he can build on that last performance, he could be some value in this tricky race.

Race Preview: First Masterpiece quickened up smartly to win going away in her last start on the 26th of February, her last two wins in succession have been impressive, she absolutely loves the sprint trips up the straight at Hollywoodbets Kenilworth, even though she has gone up in the ratings, she must have a good winning chance again. Mai Sensation disappointed last time in the Listed Olympic Duel Stakes, she is much better than that performance, if she can build on that bad run, she could easily bounce back and be competitive here at a good price. Babelicious ran a lovely race behind her stable companion on the 11th of February, her form is good with the blinkers on, she must be respected. Blue Holly has done nothing wrong of late, she has been nice and consistent, she likes to race up on speed, include her into all bets.

Lion Rampart has been rested and gelded, he was very disappointing in the Winchester Sprint Cup last time, but a nice horse with lots of quality, if he doesn't need the run badly, he will be right there in the finish. Future Variety had absolutely no luck in his last start, he has run with lots of credit against some of the best sprinters in the land, this looks to be a nice race for him to go close. Un Bel Di won well on the 8th of February, his form is good, he is still improving and can sneak into the places with no weight on his back.

Holding Thumbs never runs a bad race, he is as consistent as they come, jockey Sean Veale knows him well, there is no doubt he will have a serious winning chance on his best form. Nebraas returned to form nicely on the 15th of February, even though he is eight years old, he stays well and should run a big race from a good draw. The Grey King ran a lovely race on the 25th of January behind his stable companion Let It Be Said, the form of that race has worked out well, Jockey Craig Zackey knows him well, he will be chasing hard. All Out For Six ran a fair race in a strong field last time, he is a strong front runner on his day, there is no doubt he will be in it for a long way, include him into the places. Galic Dream was given a great ride by Gavin Lerena on the 22nd of February, he quickened well and won impressively, with no weight on his back here, he will be a massive threat to all of them in the finish. Promettere barged his way through to win exceptionally well on the 18th of January, he was given seven points for that victory which means life will be tough for him now, but if he runs a similar race again on Sunday, he should be competitive. Billy Bowlegs should be cherry ripe for this race, from a good draw, he must be respected.

Race Preview: Green Garnet showed massive heart to win well last time, he went to the front and fought all the way to the line, he was given three points for that victory, from a decent draw, he should remain competitive in this tricky race. Industrialstrength has been rested for 88 days, he ran a much better race last time on the 18th of December, he has tons of ability this individual, from a good draw, he must be included into all bets. Boogiefied ran a great second behind Please Be True on the 11th of February, with a similar performance in this race, he would have a massive winning chance. Honor Of Kings ran well out the maidens last time, he looks progressive and must be respected. This looks to be one of the most difficult races on the card, you will need to go wide.
